Unit two was stationary directly behind unit one facing west. After waiting for some time, driver one attempted to pull out and bumped into unit two.</p> <p>Damage consisted of paint transfer for unit two's rear bumper and a small dent in unit one's passenger side front quarter panel.</p> <p>Driver one pulled off at a nearby gas station as driver two followed. Driver one attempted to exchange information with driver two but driver two would not acknowledge the attempts and driver one left.</p> <p>I later made contact with driver one and she provided all information necessary for a report and stated that she knew driver two, did not want any drama and preferred to only deal with police.</p>
