Submission Requirements and Documentation

From Section 1147.02(a)¹.

- (1) Contents of application for conditional use permit. Thirteen complete sets of all information shall be submitted with an application. The Zoning Administrator may modify this requirement based upon the type of materials included. Please contact the Zoning Administrator prior to submitting an application to discuss the submission requirement. If any information is submitted in color or on non-standard paper, more copies may be required.
 - A. Application Fee.
 - B. Description of Use and Site.

A written, detailed description shall include the following information. A separate response is required for each subsection.

 1. The name, mailing address, and telephone number of the applicant and the property owner.
 2. If the applicant is not the owner, a statement from the owner that the applicant is entitled to apply on his or her behalf.
 3. A legal description of the site, including all separate lots.

4. A description of the existing uses of the site.
 5. The zoning district in which the site is located.
 6. A description of the proposed use.
 - a. A description of operations, including type of goods sold, services performed, and expected number of customer, clientele, delivery, and service vehicles.
 - b. The hours of operation.
 7. A narrative statement that evaluates the compatibility of the proposed use with the general vicinity and adjacent properties.
 - a. How the use is similar to or different from existing area uses and if there will be any interaction between the proposed use and existing uses.
 - b. How any existing structures, proposed structures, and the site design relate to adjacent structures and sites.
 - c. If the use will involve any operations that create potential nuisances such as excessive noise, lighting, odor, fumes, vibration, or emissions.
 - d. How any potential negative effects on adjacent land will be mitigated.
 8. A statement about why the location proposed is more appropriate for the use than other locations.
 9. A statement of the necessity or desirability of the proposed use to the neighborhood or community.
 10. Separate, detailed statements that individually address each of the items listed as potential concerns for the proposed use.
 11. A list of the names and mailing addresses of all land owners within 200 feet of the site (see [next section](#)).
 12. Such other information regarding the proposed use, site, or surrounding area as may be pertinent to the application or required by Planning Commission.
- C. Site Plan. A scaled site plan shall include the following information in detail. The required information may be submitted on multiple site plans if inclusion of all information on a single plan makes it illegible or difficult to understand.
1. North arrow.
 2. Scale.
 3. Vicinity map.
 4. All existing and proposed lot lines within the site.
 5. Dimensions of all lots and of the entire site and any adjacent rights-of-way.
 6. Location, height, and use of all proposed and existing structures.
 7. Location and design of all proposed vehicle management areas.
 8. Location, size, and type of all proposed signs.
 9. Location, height, and type of all proposed screening and landscaping.
 10. Distances to residential zoning districts if within 1,000 feet.
 11. The use of land and location of structures on adjacent property and across adjacent rights-of-way.
 12. Other information as required by the Planning Commission.
- D. Elevations of proposed structures, or typical elevations if structures are not yet designed, shall be required by the Zoning Administrator if the proposed location, height, or bulk of the structure is such that it may negatively affect an adjacent use.
- E. Other. Photographs of the existing use and its surroundings.

See Chapter 1147, Conditional Uses, for the full text, particularly 1147.03 for use-specific regulations¹.

Surrounding Property Owners

On a separate sheet, provide the parcel numbers, names, and mailing addresses of all property owners within 200 feet of all boundaries of the property in question. The [Butler County Auditor Real Estate Search](#)² is helpful when searching for the mailing address of adjoining property owners. It allows you to search by owner, address, or parcel number.

Planning Commission Review

From Section 1147.02(c)¹.

The Planning Commission shall base its review of a proposed Conditional Use upon the complete application, upon any staff report, and upon any relevant and credible testimony presented during the public hearing.

If the Planning Commission finds that the information provided is insufficient to make a determination, it may suspend its review until sufficient information has been provided.

From Section 1147.02(c)(2) General Decision Standards¹. All Conditional Uses shall satisfy these General Decision Standards.

- A. The proposed use is in fact a Conditional Use appropriate for the zoning district in which it is proposed.
- B. The use and site will satisfy the general intent of this Zoning Code.
- C. The use and site will be compatible with the general intent of the Comprehensive Plan.
- D. The size and shape of the site are sufficient for the proposed use.
- E. The use will not be hazardous or disturbing to existing or potential future neighboring uses that are permitted in the zoning district.
- F. The use will not involve activities, processes, materials, equipment, or conditions of operation that will be detrimental to any person, property, or the general welfare because of excessive production of traffic, noise, smoke, fumes, glare, odors, or other emissions.
- G. The only accessory uses will be directly related to the operation of the principal use and will not be operated independent of the principal use.
- H. The use and site will be adequately served by public facilities and services such as streets, water and sewer, drainage structures, police and fire protection, and refuse disposal, or adequate provisions will be made to provide the same services privately.
- I. Development of the site and operation of the use will not require substantial public expenditure for additional infrastructure or services.
- J. The site will be designed, constructed, and maintained in a character harmonious in appearance and general character with the existing or intended character of the general vicinity, and that such use will not change the essential character of the same area. Structures to be constructed, reconstructed, or altered in a residential zoning district shall have the appearance of residential buildings permitted in the zoning district.
- K. The site is designed so that on-site traffic and traffic accessing the site will not inappropriately impact the movement of traffic on adjacent public streets.
- L. Proposed construction will not result in the destruction, loss, or damage of a natural, scenic, or historic feature of major importance.
- M. All necessary permits and licenses for the Conditional Use and its operation have been or can be obtained for the use at the proposed location.
