

Planning, Zoning, and Engineering Process Application Instructions

Before You Begin

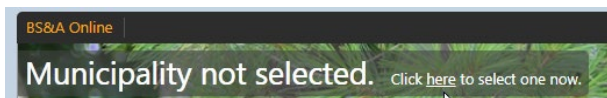

1. **Gather materials for application.** Review the following pages for the information required for a complete application.
2. **We encourage you to apply online using bsaonline.com.** This allows you to track your application as it navigates the approval process. You will need to create an account and request a PIN to use bsaonline.com, which staff can provide during normal business hours.
3. **Payment options:** If you apply online, the City will create an invoice that you will need to pay before staff can formally process your application. This usually takes about one business day. The City accepts checks, Visa, Mastercard, Discover, e-checks, and cash. At this time, the City does not accept online payments, but you can pay over the phone with a credit card and e-check, or pay with any of the methods listed above in-person at the Municipal Building. If you mail your application and plans through include a check for quick processing.
