Motion to approve the February minutes - Carla, 2nd - Kathy. Motion passed.

Discussion of Board function. Motion to retain current board by acclamation - Vince, 2nd - Carla. Motion passed.

Discussion of meeting frequency.

Oxford Area Trails: Jessica gave updates on trail progress. The City is scoring RFPs for the NW connection and will host public input sessions. The City is continuing to plan for the RR crossing between TMS/THS. The City will work with property owners and notify them about the possible trail alignment. The public meetings will be done by May. The City has applied for various grants; most of these will have fall decisions. Carla will find an article about crime on trails.

Snow Removal: The City is examining two options for dealing with sidewalk snow removal in uptown, school zones and commercial areas. 1) Fee schedule - shovel or we will bill you; 2) special assessment district - Council creates a fee and a subcontractor is hired to do the work.

Amtrak: A consultant/advocacy group has been hired for the platform design. Council passed a resolution supporting Amtrak in Oxford. Jessica will send press release copies to the OPTAB members.

Motion to adjourn - Lee, 2nd - Vince. Motion passed. Meeting adjourned at 10.37 AM.

Respectfully submitted,
Jon Ralinovsky
