

Oxford Parking and Transportation Advisory Board  
Meeting Minutes  
12 April 2021

Attendance: David Prytherch, Thor Hogan, Carla Blackmar, Vince Hand, Jessica Greene, Jon Ralinovsky. Meeting called to order at 9.44 AM.

Motion to approve the April agenda - Vince. 2nd - Carla. Motion passed.

Motion to approve the March minutes with the addition of the slate of officers - David. 2nd - Carla. Motion passed.

Parking: Jessica - Smart meters will be purchased; rates to be determined. Snow removal - the City is looking at the assessment model based on linear front footage of the building with a 3 year pilot plan. Litter may be added to the assessment and the affected areas are yet to be defined. Jessica will mock up a plan to go to Council, with a possible work session.

Oxford Area Trails: The City has contracted with Bayer/Becker for a feasibility study for the NW connector from the Community Park to the Black Covered Bridge. The city will need a cost estimate to apply for grants, including property acquisition.

Amtrak: AE Comm to investigate platform design and advocate for the City. Jessica needs 'permission' from the City to start working with other project partners, including Talawanda School District, Oxford Township, and Miami University. Motion for Jessica to pursue a plan with aforementioned partners and explore a platform design that includes removal of the Nelson-Morrow Building - Jon. 2nd - David. Motion passed. The City is hoping to have a commitment from Amtrak in the next 6-9 months.

Comprehensive Plan Steering Committee: The Committee will meet by the end of May. Questions for the community survey need to be submitted by 30 June. Discussion.

Motion to adjourn - Vince. 2nd - David. Motion passed. Meeting adjourned at 10.43 AM.

Respectfully submitted,  
Jon Ralinovsky
