Motion to approve the June minutes - Carla moved, Kathy seconded. All voted in favor.

The board reviewed existing transportation plans and existing conditions in the *Oxford Tomorrow* Comprehensive Plan Preliminary Information Booklet. It discussed existing conditions and issues over a range of topics related to internal/intra-city and external travel.

The board discussed the kinds of questions it wishes to pose in the community survey, focusing on overall community impressions of transportation/parking, relative priorities, and perhaps a question soliciting feedback about specific issues/opportunities.

The board discussed upcoming meetings. Based on schedules there will be no July meeting, but will host an August meeting focusing on proposed street resurfacing projects and Complete Streets for 2022.

Meeting adjourned at 10:32 am.
