Important Notes:

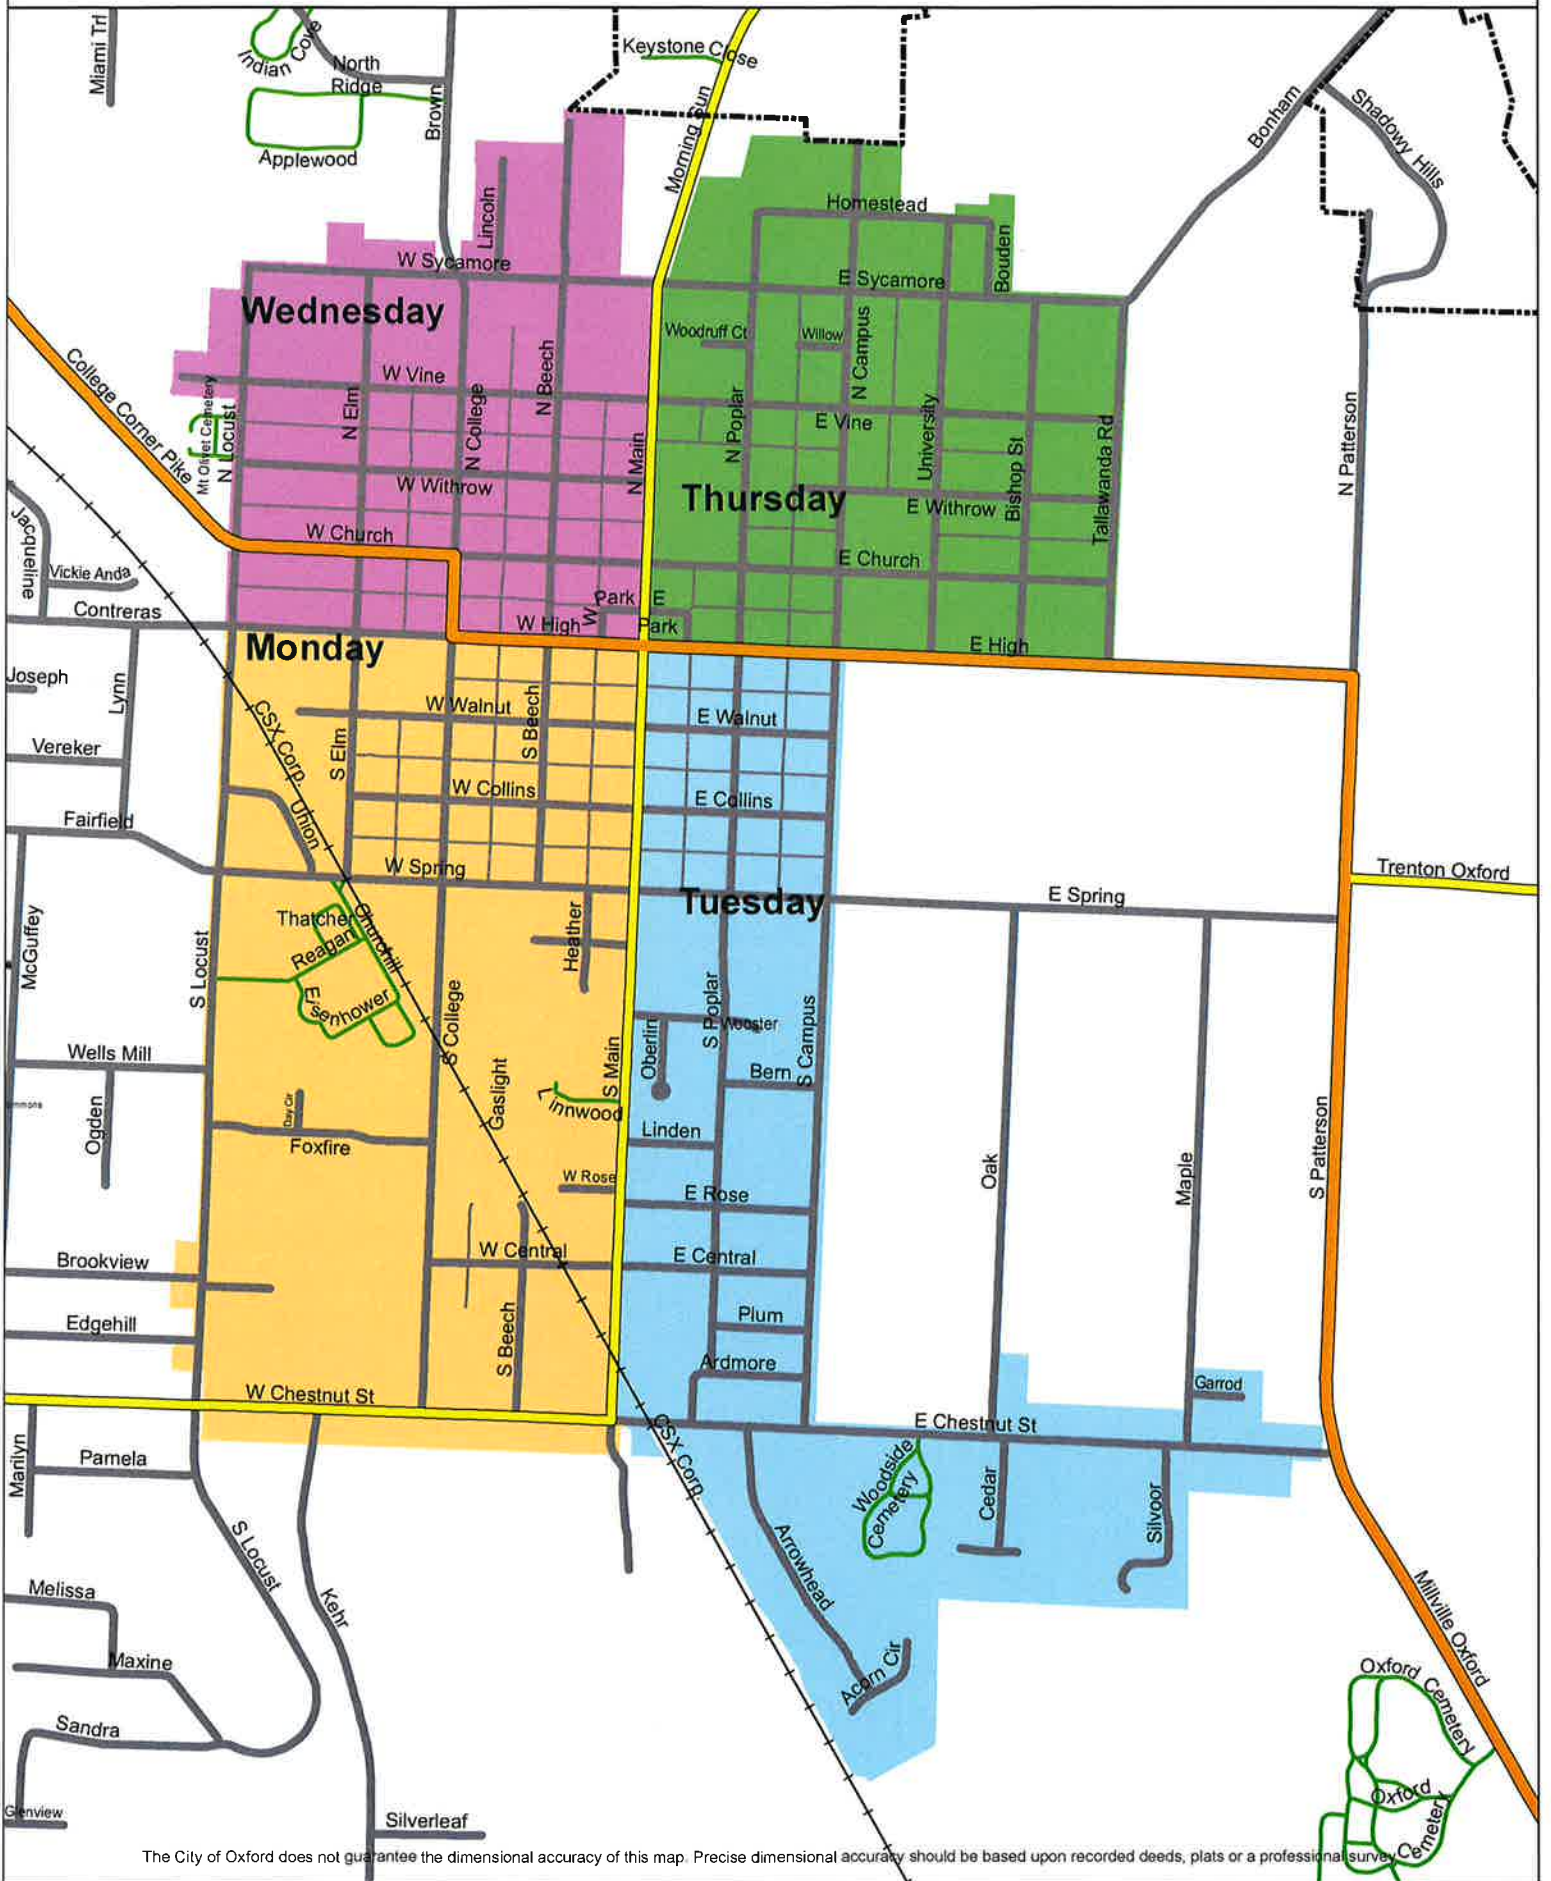

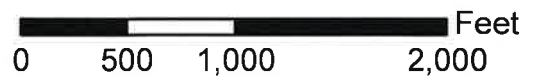

All commercial and residential Move-Out related refuse in the **Uptown area** (between Church and Walnut Streets, north to south, and running east to west between Campus and College) **shall be collected at least once per day** during the seven days of additional collection service, in addition to their regularly scheduled refuse collections.

On **each Saturday** during this collection event, there shall be a **minimum of 4 collection crews and trucks** performing the additional Move-Out refuse collections. In an effort to perform the collections prior to graduation ceremonies on May 15 and 16, 2029, Oxford has agreed to adjust the permissible starting time to 5:00 a.m. on these two days. **This time change ONLY applies to refuse collections for the “Move-Out” area for these two days.**

Collections for Sunday, May 16, 2021 shall occur if there are drivers available (i.e., weekly total hours of driving has not exceeded maximum allowed by law), and will consist of the collection of the Thursday daily route in the vicinity of Millett Hall (as available hours will permit).

Refuse in the north/south **alley to the east of the Butler County Area 1 Court (118 West High Street**, part of the Thursday collection route) **shall be collected on Wednesdays and Thursdays**. Court is regularly scheduled for Thursday morning and access through the alley is required for law enforcement and judicial agencies.
